This Diploma Supplement follows the recommendation by the European Commission, Council of Europe and UNESCO/CEPES. The document also complies with the UK Recommended Dataset for transcripts as part of Personal Development Planning. It is designed to provide a description of the nature, level, context, content and status of the studies that were pursued and completed by the individual named on the original qualification to which this supplement is appended.

Information on the level of the qualification

Level of qualification
Please see http://www.exeter.ac.uk/students/administration/examsandassessment/ugpgt/diplomasupplement/ for a 'Description of Higher Education in England, Wales and Northern Ireland'.

Official length of programme
In full time mode normally 3 years (180 ECTS credits); some programmes run for 4 years (240 ECTS credits). In part-time mode 180 (or 240) ECTS credits may be taken over several years.

Access requirements
See details of individual programme requirements at http://www.exeter.ac.uk/undergraduate/applications/entry/#intro

Information on the contents and results gained

Programme requirements
Learners must satisfy the programme requirements as described in the relevant programme specification and the Standards as set out in the Undergraduate Assessment Procedures. For further details please see http://www.exeter.ac.uk/undergraduate/all-courses/ and http://as.exeter.ac.uk/academic-policy-standards/tqa-manual/aph/.

Where a student has achieved an overall stage average mark of at least 40% but has achieved less than the pass mark in individual modules up to a maximum of 30 credits per stage, these failed modules may be condoned and the student permitted to progress, including progression to award. Credit is awarded for condoned modules, and such marks are recorded in their original form.

Grading scheme and class boundaries
The following minimum percentages are guidelines for classification for an Honours Degree. Degree classifications are determined by Boards of Examiners, which may take into account factors other than the marks recorded.

Overall average	Classification
At least 70%	First Class Honours
At least 60%	Upper Second Class Honours
At least 50%	Lower Second Class Honours
At least 40%	Third Class Honours

An Ordinary Degree may be awarded on the recommendation of the Board of Examiners.

For the Diploma in Law, the following guidelines are used.

70% and above	Qualifies for Distinction
60%-69%	Qualifies for Merit
40%-59%	Pass

Access to further study
Bachelor Degree programmes may entitle access to postgraduate studies.
